Dear Parents/Carers

## SUPPORT WITH HOME LEARNING

I hope you are all well and have had a successful first week completing home learning with your child. The Home Learning pack sent home provided you with a range of activities and games to support your child for the weeks leading up to Easter. Hopefully, you have been able to do some of these each day and will continue to do so.

Learning in the Reception year is very much centred around practical hands on experiences and, as the weather has been so nice, I hope you have been able to take some of your learning outside in the garden. Although much of the learning is practical, it is really important to continue working on your child's reading and writing. Share books with your child as often as you can and allow them to sound out and read words, if they are able. Do not worry about teaching methods, just focus on sharing books and reading together for enjoyment.

After Easter, I will be sending home further activities for you to do with your child based around the seven key areas of learning so you can continue to support your child at home.

Please try not to worry about any of the activities - we appreciate your efforts and will look forward to hearing, at some time in the future, about all the other games and activities you have participated in.

With best wishes

*Mrs Riches*

E Riches (Mrs)  
Reception Classteacher
