

## Lionel Walden School Association Breakfast with Santa and Christmas Fair

This year's Breakfast with Santa and Christmas Fair is getting closer. Do not forget to join us on Saturday 2<sup>nd</sup> December for lots of fun. Tickets are selling fast, so do not forget to buy your ticket now from the School Office. Tickets include a present and a photograph taken with Santa.

Treat yourself to a delicious bacon roll, hot dog, mouth-watering mince pie or cupcake from our refreshments stall in the hall - these will be on sale from 8:30 am.

Our festive Christmas Fair will also open from 8:30 am with lots of festive games for all the family to enjoy. These will be in our Year 2 and 3 classrooms where we will challenge you to 'Beat Mr Harfield' or 'Hook a Bauble off the Christmas Tree'.

This year, we will be introducing a 'Chocolate Tombola' in the games room and would appreciate donations of chocolate items ranging from single chocolate bars to boxes or bags of chocolates for the children to win.

Crafts will be available in our Year 4 and 5 classrooms including 'Decorate your own plate for Santa', 'Make your own Reindeer Food', 'Biscuit Decorating', and 'Nail and Face Painting'.

Do not forget to buy your quiz sheet and find the names of all the six hidden elves around the Christmas Fair to claim a small festive prize.

The children will soon be working hard on decorating a gift bag which will be sent home for you to choose to fill and return - please remember to name your bag underneath so that it can be entered into the 'Best Decorated Gift Bag' competition.

We are running many other stalls, including 'Plants', 'Raffle', 'Adopt an Animal', 'Guess the Weight of the Cake' and many more. You will also be able to purchase copies of the LWSA 2018 Calendar for £3.00 each.

We welcome donations for the fair and are looking for good quality, cuddly toy animals, bottles for the 'Wine or Water' stall and luxury items that can be used as raffle prizes in the hamper ... perhaps you would like to donate a gift voucher?

We also would appreciate help either on the actual day or with setting up on the day before - please see a member of the School Association Committee or leave your contact details with Mrs. Clarke in the School Office.

We are always grateful for your donations and we appreciate the support of both staff and parents to make this a great family day for the children of our school.
