Dear Parents/Carers

## SUPPORT WITH HOME LEARNING

We have completed the first week of school closure. I hope your children are all surviving without school and seeing their friends - I appreciate how hard this can be.

As we said in school before we finished, it is important to try to follow a daily timetable to keep some structure and routine. For those children of key workers having to keep coming to school, we are enjoying a regular timetable and also trying out new things such as Joe Wicks' PE workout each day at 9am which is a particular highlight. I can highly recommend it although I am aching somewhat from my efforts!

In the pack sent home, I had included various activities including Maths, History, English and Science sheets to keep the children busy for the first two weeks. We will be providing more work in all curriculum areas after Easter.

It has been fantastic to see so many children busy on Times Tables Rockstars and challenging each other with multiplication battles. I have enjoyed communicating with some of the children through Starz and know they have been chatting to each other this way. I know lots of the children have enjoyed reading both their school books and their own books during this time.

I am missing all of the children and will be very glad when things return to normal. If you have any questions, please do ask.

Take care

*Mrs McBeath*
