Dear Parents

Parent Information

A few parents have informed us of disturbing videos which can be accessed through children's programs on YouTube. These can appear several minutes after a children's program has started. Please refer to the following link: <https://parentzone.org.uk/article/three-minute-briefing-momo-challenge> for further information.

We urge you all to continue to supervise your children whilst they are using the internet. In school, our internet usage is policed by the county's ICT Service and the highest security settings are in place. The ICT Service's advice, and that of the school, is that children below the age of thirteen should not be using social media and messaging apps such as Whatsapp (Whatsapp's minimum age is actually sixteen).

If you would like further information, or have any questions, please do not hesitate to contact me.

It is important that we work together to keep our children safe and to ensure they know what to do if they have any concerns, come across inappropriate material or experience any form of cyber-bullying.

Yours sincerely

S A Barnard-Taylor

Mrs S A Barnard-Taylor (Mrs)
Headteacher
