5<sup>th</sup> May 2020

Dear Year 2 Pupils

I hope that you and your family are well and are enjoying spending lots of time together!

The last few weeks have been very unusual and I am very proud of you all for your continued hard work and big smiles! I have really enjoyed looking through the work that has been sent in. Please continue to send your work through to the School Office so I can see your masterpieces! Please also look at the online resources on the school website - look for the Parents tab and then Home Learning.

While you have been working at home, I have been getting everything ready for when we come back. This has included planning, resourcing and sprucing up displays! Over the weekends, I have been learning new skills - gardening being the hardest to master!

When I am out on my daily walk, I have been taking part in the 'Rainbow Challenge'. Each day, I choose a colour to focus on and try to take nine photographs of items with just that colour in. Then I put them into a collage! This could be through drawings, cutting out and sticking, or using an app. This is something that you could join in with too.

Hopefully it will not be too long until we are back in school, but until then keep up the great work!

Best wishes from

*Miss Bennett*
