Dear Year Six Pupils

I hope you and your family are all keeping well and staying safe. Completing school work at home can be very challenging and sometimes it can feel difficult to motivate yourself, however the Year Six Team and I have been really pleased to hear how many of you have been tackling the work that we have sent home. It is so important to keep to a routine and to keep your brains working, as it will really help you to adjust when you return to education in the near future. Maintaining your basic skills in Reading, Spelling, Writing and Maths is crucial and all of these areas will help you access the different subjects at secondary school. I can appreciate how difficult it is to complete work on your own but it is really important that you keep trying hard. If you would like to access more online resources, go to the school website and look under the Parents tab and Home Learning section, for links to further useful resources.

Over the past few weeks, we have received many messages, photos and videos of how all of you have been keeping busy. The Year Six Team and I have really enjoyed looking at them. I have been kept very busy sorting out Music planning for the whole school, Year 6 planning, completing online courses, helping Rosie with her school work and Michael with his skateboarding, entertaining Bertie and doing jobs around the garden. I hope to see you all very soon!

Best wishes

Sarah Harrison

Mrs Harrison
Year 6 Teacher
