20th January 2021

Dear Parents and Carers

We are delighted to be able to share with you a new and free initiative that is being launched across Peterborough and Cambridgeshire called '50 things to do before you're 5'. This is a free mobile app offering parents and carers 50 play-based activities that you can try with your children. They are all free or low cost and use resources that you may have around the house. The experiences are tailored to our local area.

When you download the app, please ensure you select the Cambridgeshire and Peterborough area.

There is information on where and when to do the activity as well as what your child will learn from participating. It also lists top tips, stories to share and other activities to try. Why not explore, have fun and get to know more about the local area where you live?

The Local Authority has asked to remind everyone that we must continue to follow the lockdown guidelines, as detailed by the government, and remain local at all times.

Please download the app and have lots of fun!

Best wishes

Natalie Bayes

Deputy Headteacher
