18th May 2020

Dear Year 5 pupils,

We hope that you and your family are all well and that you are enjoying being able to leave your house more often for your daily exercise. Thank you for all the work you have been completing and sharing with us via Starz or email. We really enjoy seeing your work and the photographs have all been posted on our class dashboard on Starz. If you have not yet logged on to Starz, give it a try as it is a great way to keep in touch with your class and teachers.

We are sure that you still have work to complete in your Home Learning packs but if you are looking for fresh inspiration, there are lots of ideas on Starz (look in the 'Projects' area) or on the school's website. As always, if you have any questions, or need more work, please email the School Office or message us on Starz.

If you have been doing anything exciting at home that you would like to share, please send in your photographs and we will share them with the class. It was lovely to see most of you via our Zoom session, so please join us again for the next one! Thank you for the positive feedback; it is good to know that the session was worthwhile.

Please continue to read, practise times tables and keep fit as your priorities!

We are so proud of you all and the way you have adapted to the new routines and way of living and working. Keep going!

Take care - stay safe and stay happy!

With best wishes from the whole Year 5 team
(Mrs McLean, Mrs Taylor, Mrs Bayes, Mrs Gupta and Mrs Brighty)
