4th March 2021

Dear Parents/Carers

INFORMATION FOR FULL REOPENING FROM 8TH MARCH

Following the Prime Minister's announcement on 22nd February, we have been busy following government and Local Authority guidance in preparing our plans and completing risk assessments for full reopening of school on 8th March. The expectation is that all pupils will return to full-time education in the same way as in September. The preventative measures we previously had in place will continue to be strictly adhered to. We are again circulating the Guidance, with this letter, to remind you of these measures. In addition, we are now asking you to wear a face mask when dropping off and collecting your child.

Staff will be continuing to work very hard to make every aspect of school as safe as possible. We shall do everything within our means to settle pupils into routines and to look after them as best we can. We ask that all parents and carers endeavour to do their best too in continuing to follow government guidance and social distancing measures. We are still in a national lockdown and we ask that all families continue to follow the lockdown rules to keep everyone safe.

Thank you for your continued support and for everything you have done to help your child with their remote learning this term - you have done a fantastic job in difficult circumstances. The setting of homework tasks will not resume until after the Easter holidays, however, staff would appreciate all children continuing with daily reading at home. The practising of spellings and multiplication tables, or number bonds for younger children, will also be very helpful. It is important home and school continue to work together to help our children settle back happily into learning with their friends in the classroom.

We are very much looking forward to seeing everyone in school on Monday.

If you have any questions, please contact me via the School Office.

With my very best wishes

S A Barnard-Taylor
