2nd June 2020

Dear Year 3 Parents/Carers

I hope you are all well and have enjoyed the beautiful sunshine during half-term.

I am writing to explain the new Home Learning that I will be setting during the remainder of this term. You will receive a weekly timetable with lots of ideas, outcomes and objectives for daily English and Maths, plus other fun subjects for the afternoons, which are closely linked to our current learning in school. This will also include daily spellings, handwriting and reading. This will come in an email, complete with attachments providing all the resources you will need. This will help your child/children transition back into the school routine, whenever that may be.

Please look out for an email from the School Office, towards the end of this week, with work to be completed next week. If you wish to access additional learning, or before next week, please continue to use the online resources on the school website.

I appreciate your continued support during this time. Please do not hesitate to contact me with any questions through email via the School Office. I look forward to you sending any photographs of the completed work or activities you carry out.

Best wishes

Miss Watts
