7th June, 2016

Dear Parents,

Following on from our successful Phonics and Writing Workshop for parents held earlier this year, we would now like to invite you to a 'Maths Afternoon' to share ideas which will help support your child's learning at home.

This event will be held on **Wednesday, 15th June between 1.30 p.m. and 2.45 p.m.** and will be a practical workshop where you will come and experience some hands on activities that encourage the development of Number, Shape, Space and Measure. Your child will be there to guide you round the wide range of learning opportunities. It is a chance to learn together and gain a deeper understanding of how you can support their learning at home.

The Foundation Stage staff will also be on hand to explain how the different activities promote Maths development and to answer any questions you may have.

Your involvement means a lot to us and the children. We would really appreciate it if you or a family member could attend.

It would greatly help our organisation of this event if you could indicate whether you are able to attend. Please complete the reply slip below and return to the School Office by **Monday, 13th June**. If you find you are free to attend at the last minute, please inform the School Office.

Yours sincerely,

N. Bayes

N. Bayes (Mrs)

Deputy Headteacher
