21st February, 2017

Dear Parents,

Once again, we are taking our Year 5 pupils to the March Safety Zone at March Fire Station on Tuesday, 28th February, 2017. This is organised by Fenland District Council for all local schools and gives our children the opportunity to learn about general safety situations and witness different scenarios involving internet safety, fire safety, age restrictions which apply to the purchase of certain types of merchandise, correct disposal of waste, anti-social behaviour, etc. The event takes place within the school day. The children will be travelling by coach and will leave school just after lunch and will return at the end of the normal school day.

I am sure the children will enjoy this experience and gain a great deal from it.

Yours sincerely,

S. A. Barnard-Taylor (Mrs.)
Headteacher

National Teaching School
