Dear Parents,

Questionnaire for Parents - July 2017

As a school, we continually strive to provide the very best experiences for our pupils and families. We would appreciate you telling us what you consider we do well and if there is anything we could improve upon.

Your views are important to us and the information received will be considered in our future planning. Following previous consultations, we are further enhancing our outdoor environment during the Summer holiday, the Office is looking to implement a new online payment system very shortly, Weekly Awards were introduced two years ago and, more recently, pupils were encouraged to walk or run for fifteen minutes before school twice a week.

Please also consider the broad curriculum we offer such as themed weeks (Science Week, International Week, Healthy Week, Walk to School weeks), school visits and other events and activities which have taken place throughout the year. Our school website (News Section) shows other activities.

Please return the completed questionnaire to the School Office by Tuesday, 18th July. Feedback will be provided next term.

You are invited to add your name to the foot of the questionnaire as this will help us to discuss any suggestions or comments directly with you, if appropriate.

If you would like any further information, please do not hesitate to contact me.

Thank you once again.

Yours sincerely,

S. A. Barnard-Taylor (Mrs.)
Headteacher
