

Lionel Walden School Association

Bag 2 School

The Lionel Walden School Association is running another 'Bag2School' day.

With this letter you will receive a bag which we would like you to fill with items which can be re-used, i.e. adult and children's clothing, soft toys, paired shoes, hats, belts and handbags.

NB. No BEDDING, CURTAINS, HOUSEHOLD LINEN OR BRIC-A-BRAC

Every bag that we collect will be weighed and the LWSA will be paid according to the weight received. So why not take this opportunity to have a 'clear out', without having to make a trip to the tip!

Bags should be filled and returned on the morning of

Thursday 2nd November

Unfortunately, due to us not being able to store the filled bags in school, we are unable to accept bags until the day of collection, so please do **not** bring in any filled bags before 2nd November. Please note bags should be dropped off at the school hall by 9.00 a.m.

Please return any unused bags to school.

Thank you for supporting the LWSA.
