3rd June 2020

Dear Year 4 pupils

I am writing to you again to see how you all are. I hope you enjoyed the sunshine during half term and are still staying safe, together with your families.

Things have been very busy at school recently and you may have heard that some children have started back at school this week, in addition to the ones who have continued to come into school throughout the lockdown. I am hoping that, providing it is safe to do so and the Government recommends it, more of you might be able to come back to school before the Summer Holidays. I have really missed seeing you all - although it has been lovely to see you through the Zoom story sessions.

Well done for working so hard. I have enjoyed receiving copies of your work sent to me by Starz or by e-mailing Mrs Clarke in the School Office. Please continue to do so!

I have set up a new folder on Starz called Summer Term Home Learning. Each week, I will be adding new work to the folders. Please note, the work is scheduled one week at a time, so even though you can see the folder, you will not be able to access the work until the date it has been set from. For Week 1, there is some work on English (Houses theme), White Rose Maths, PSHE, Computing (E-safety) and PE (relaxation). I have also included a link on there to My Maths as we will be trialling this online system. Another letter will be sent out to you explaining how to get onto My Maths and giving you your username and password. Once you have logged on, you will be able to see the work I have set and can complete this and submit this all online.

Keep on working hard. I feel so proud of everything you have done so far. I hope you will continue to look after yourselves and to take care.

Best wishes

Mrs McBeath
