Dear Reception Pupils

I hope this letter finds you and your families in good health and happy. I would like to thank you for keeping in touch. It has been very nice to hear your news and see all the wonderful things you have been doing at home. It has certainly put a smile on my face, so a big well done to you all.

I understand how difficult it must be for you being out of your usual routine, but I would like to encourage you to keep up the fantastic work you have been doing. Please remember to read daily. Try to have a go at some spellings - pick a few and keep practising each day until you are able to spell them. It is also important to keep doing some writing. Just one or two sentences a day, remembering your capital letters, finger spaces and full stops. Lastly, try to do some Maths every day. This does not have to be a sit down activity. Maths is all around us!

Please remember that there are lots of very helpful resources and websites available for you on the school website. This is located under the Parents tab, followed by the Home Learning section.

I have been very busy at home preparing some exciting work for when you are next in school and I am excited about seeing you all again. For those who have not yet managed to send an email or photograph, I would really love to hear from you. Even if it is just to say a quick hello. For those who have been in touch, please keep the emails coming via the School Office.

Please take care and stay safe.

Best Wishes

Mrs Ngwa-Akuro

Reception Class Teacher
