

DESIGN A CHRISTMAS CARD (OR OTHER GIFT)

CHRISTMAS PROJECT INSTRUCTIONS

In previous years, the children have had the opportunity to design their own Christmas cards (through the Lionel Walden School Association).

This year, you can choose from a fabulous range of cards and gifts designed by your child. From Christmas cards and wrapping paper to mugs and cushions, Fundraising Creations produce high quality cards and gifts displaying you own child's artwork.

So, what do I do now?

- Your child will come home with a drawing template/order form on which they can complete their festive drawing or design. Only one image may be submitted per child.
- **IMPORTANT:** Children should only complete their drawings using the drawing templates supplied. **ANY DRAWING DETAIL THAT EXCEEDS THE BLACK BORDER ON THE TEMPLATE WILL BE LOST ON THE FINAL IMAGE.**
- Drawings should only be completed using **FELT-TIP PENS, COLOURED PENCILS** (please use **STRONG COLOURS** as faint pencil drawings do not reproduce well) and/or **INK**. **PLEASE DO NOT USE** glue, glitter pens or crayons on the drawings as these cannot be processed.
- Completed drawings must be kept **FLAT** and in good condition as blemishes and creases may show up on the finished product design.
- The range of products available and prices can be found on the letter included with the drawing template.
- Each child will receive one free printed card. Please select the additional products you wish to purchase and complete the order form on the drawing template.
- Return your child's artwork and your order along with payment to the school office as soon as possible and **NO LATER THAN WEDNESDAY 18TH OCTOBER (Orders received after this date will not be printed.)**
