30th March 2020

Dear Parents/Carers

SUPPORT WITH HOME LEARNING

I hope everyone is well and you are enjoying being with your loved ones. The Home Learning packs provided primarily English and Maths work for two weeks (some to be completed each day), plus ongoing work such as Times Table Rockstars, reading, handwriting and spelling practice.

Over the Easter holiday, please continue with as much reading as you can, catch up with any of the activities still to be completed in the packs and try to take some learning outside, if possible. Other activities include the Joe Wicks' PE sessions, cooking and baking, gardening and participating in arts and crafts.

After Easter, we shall be sending home further English, Maths and Science work for your child to complete each day. This may include a Geography project, in relation to our current topic in class, 'The Americas'.

As always, your hard work is appreciated during this difficult time. Hopefully, we will all be together again soon!

With best wishes

Miss Watts
