Dear Parents/Carers

## ROADMAP STEP 3 - FROM MONDAY 17<sup>TH</sup> MAY - NO CHANGE TO SCHOOL PROCEDURES

Following the Prime Minister's confirmation on Monday that England would proceed to Step 3 of the Roadmap on 17<sup>th</sup> May as planned, I am writing to inform you that all preventative measures we currently have in place in school will continue to be strictly adhered to. This includes pupils remaining in their class bubbles at all times, regular cleaning of surfaces throughout the day, frequent handwashing by staff and pupils, staggered entry and exit times at the start and end of the school day and the wearing of face coverings by parents at drop off and collection times.

This follows the advice received from the Local Authority this week at a Briefing for all Headteachers in Cambridgeshire and Peterborough. Although this may come as a surprise, given that retail outlets are already open and with indoor hospitality and indoor entertainment resuming on Monday, we do still need to remain vigilant and continue to do all that we can to minimise the risk of the spread of Covid-19 in schools and to avoid further disruption to our children's education.

If your child or anyone else in your household develops any symptoms of Covid-19, you must arrange a pcr test and all stay at home and self-isolate immediately. Please do not send your child into school if they are unwell.

If you have any questions about this or any other aspect of school, please do not hesitate in contacting me via the School Office. A further update will be provided in June.

Yours sincerely

*S A Barnard-Taylor*
