9th July 2020

Dear Parents/Carers

END OF YEAR REPORT

Next week, you will receive your child's End of Year Report by email. Different year groups will receive them on different days, as each report will need to be attached and sent individually. The statements contained within the report refer to whether or not your child is deemed to be working at the expected national standard for their age (year group) and are recorded as:

- Working towards the expected national standard (WTS);
- Working at the expected national standard (EXS);
- Working at greater depth within the expected national standard (GDS).

Due to another year being disrupted by the pandemic, your child may not have reached the standard they would have achieved had school remained fully open as normal. However, please be aware that staff and children worked incredibly hard during the Autumn Term, and again from when schools fully reopened on 8th March, to ensure as much progress as possible has been made, as well as ensuring children settled back safely and happily into school routines. The remote learning that you and your children committed to during lockdown has also proved extremely beneficial - thank you very much for your support with this and throughout this academic year.

We shall continue to do our very best in September (as will secondary schools for those pupils moving up) to work towards closing any remaining gaps. We hope that you will work very closely with us again next year to give your child the encouragement and support they need in order to realise their potential.

We kindly ask that you email any comments you may have in relation to your child's report and progress to the School Office by Tuesday 20th July.

If you wish to discuss your child's report with their teacher, please email the School Office to arrange a mutually convenient time.

Yours sincerely

S A Barnard-Taylor

Mrs Barnard-Taylor
Headteacher
