17th April, 2018

Dear Parents,

Each year, we take our Year 5 pupils to the March Safety Zone at March Fire Station to learn about general safety situations and different scenarios including internet safety, fire safety, age restrictions which apply to the purchase of certain types of merchandise, correct disposal of waste and anti-social behaviour. This event is organised by Fenland District Council and our pupils will be attending on Thursday 26th April. The children will be travelling by coach and will leave school just after lunch and will return at the end of the normal school day.

I am sure the children will enjoy this experience and learn a great deal about how to stay safe.

If you have any questions, please do not hesitate in contacting me.

Yours sincerely,

S. A. Barnard-Taylor (Mrs.)
Headteacher

National Teaching School
