LIONEL WALDEN SCHOOL

SPRING TERM 2015

CURRICULUM THEMED WEEKS

Two curriculum themed weeks will be held during the Spring Term—Healthy Week and Science Week. Further information on the activities taking place during these weeks is given below.

HEALTHY WEEK

Healthy Week is 2nd to 6th February. During this week, we have a football coach from Cambridge City Football Club coming in to work with children in Years 3 to 6. This is in conjunction with a new football academy that is being set up at Cromwell Community College. During this week, we shall also be involved in a programme called Kick Ash. This will involve our Year 6 pupils and is being led by the Cambridgeshire PSHE (Personal, Social and Health Education) Service along with Cromwell students.

If there are any parents who are involved in a sport or have coaching qualifications and would be able to take part in taster sessions during Healthy Week, please contact Mrs Clarke in the school office. Sports coaches, provided by the Witchford Sports Partnership, will be teaching multi-skills sessions to Classes 1 and 2 along with Quicksticks hockey for Class 5 this term. Inter-school competitions will be held within the classes after the final sessions.

Molly Dancing will be taking place with Class 7 on Monday afternoons. This will be led by Gordon Philips, from the Ouse Washes Molly Dancers, who will teach specific dances and recount stories of the local area. Swimming sessions also continue this term, with Years 5 and 6 before half-term and Years 3 and 4 after half-term. Please see details on page 2.

Our professional development programme for the Spring Term includes members of staff attending courses on Risk Assessments for PE, Witchford Sports Partnership updates, PE for Newly Qualified Teachers (NQTs) and Supporting PE Lessons (for Teaching Assistants).

SCIENCE WEEK

Science Week is 16th to 20th March. Once again, a range of visitors will be in school including Mad Science, Jules the Wildlife Man and Lion Learners. Some classes will be visiting Coldham Wind Farm where they will participate in 'Energy' and 'Farm to Fork' workshops. As in previous years, each class will be experiencing a range of exciting experiments and activities. Parental help is always appreciated during this busy week - please contact Mrs. Clarke in the school office for further information.
