30th March 2020

Dear Parents/Carers and Year 6

SUPPORT WITH HOME LEARNING

I hope you are all keeping well and that you had some opportunity to enjoy last week's sunshine. By now, you should have completed most of the Home Learning Pack which was sent home. Hopefully, you have worked your way through some of the Reading Comprehensions, Maths sheets and SPAG work. No doubt you will have heard that the KS2 SATs have been cancelled this year, but please do not feel that all your hard work has gone to waste - all of this work is vital preparation in order to be 'secondary school ready'.

The Easter holidays start on Thursday 2nd April. While you are at home during this time, you could read a book (remember to look on the Accelerated Reader site for the quiz), set up an obstacle course in your garden and time yourself completing laps, try baking or cooking but use your new found ratio skills to adjust the recipe to different sized servings or just practise converting between units of measures. If you have a pet at home, you might want to design and make a new toy for them to explore (Bertie loves homemade knitted mice stuffed with catnip!). There are also many exciting online activities happening everyday such as:

- 9.00 PE with Joe Wicks ([Youtube.com/thebodycoach](https://www.youtube.com/thebodycoach))
- 10.00 Music with Myleene Klass ([Youtube.com/myleenesmusicclass](https://www.youtube.com/myleenesmusicclass))
- 11.00 Science with Maddie Moate ([Youtube.com/maddiemoate](https://www.youtube.com/maddiemoate))
- 11.30 Dance with Oti Mabuse ([Youtube.com/otimabuseofficial](https://www.youtube.com/otimabuseofficial))
- 13.00 Maths with Carol Vorderman (The.mathsfactor.com)
- 14.00 History with Dan Snow (TV.historyhit.com)
- 15.00 English with David Walliams (worldofdavidwalliams.com)
- 17.30 Food Tech with Jamie Oliver (Channel4.com/keepcookingandcarryon)

After the Easter holidays, we will be sending more work home.

Thank you for your continued support at this difficult time.

Mrs Harrison

Year 6 Classteacher
