

LIONEL WALDEN PRIMARY SCHOOL

ATTENDANCE POLICY

Reviewed: September 2021
Review Date: September 2022

1. Introduction

- 1.1 We expect all children on roll to attend every day, when the school is in session, unless there are exceptional or unavoidable reasons for absence. We do all we can to encourage the children to attend and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is the development of positive attitudes towards school.
- 1.2 Parents have a legal duty to ensure that children of compulsory school age attend their registered school on a regular and full-time basis.
- 1.2 Under the *Education (Pupil Registration) Regulations 2016*, the Governing Body is responsible for making sure the school keeps an attendance register that records which pupils are present at the start of both the morning and the afternoon sessions of the school day. This register will also indicate the reason for an absence and whether it was authorised or unauthorised.

2. Definitions

2.1 Authorised absence

An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or guardian, for example, if a child has been unwell and the parent telephones or sends an email to the School Office to explain the absence.

Only the school can authorise an absence. Parents do not have this authority. Consequently, not all absences supported by parents will be classified as authorised.

2.2 Unauthorised absence

An absence is classified as unauthorised when a child is absent without the permission of the school.

From 1st September 2013, amendments to the 2006 regulations state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

Any parent who takes a child out of school for term time leave for 6 consecutive sessions (3 days) or more, not authorised by the school, may receive a Penalty Notice. Details of the absence and child's past attendance will be referred to the Local Authority

Attendance Officer. A Penalty Notice includes a fine of £60 per child, per parent/carer, if paid within 21 days, increasing to £120 if paid within 28 days. Should a parent/carer, on whom a notice is served, fail to pay the full amount within the specified time, he/she will be liable for prosecution in a Magistrates Court. Penalty Notices may only be served in accordance with the terms of the County Council's local Code of Conduct, a copy of which is retained by the School Office.

2.3 Lateness

School starts at 8.45 a.m. At 8.50 a.m., the school doors will be locked and the classroom registers will be taken. Parents or carers who arrive at school after the doors are closed must bring their child in through the front entrance. They must sign their child in the late book, giving a reason for the lateness.

Children will be recorded as:

- Not known ('N') if, at the time of registration, it is not known by the class teacher why the child is missing from class.
- Late ('L') if the child has arrived at the school between 8:55 a.m. and 9:30 a.m. and this is recorded in the late book.
- Unauthorised absence ('O') if a child arrives at or after 9:30 a.m. without the permission of the school and a parent.
- Authorised absence if a child arrives at or after 9:30 a.m., and this has been authorised by the school, with the relevant code for type of absence (see list of absence codes at end of this document).
- A letter will be sent to the parent/carer, and the Local Authority Attendance Officer informed, if a child repeatedly arrives late for school.

3 What happens when a child is absent

- 3.1 When a child is absent, the class teacher will record the absence in the register, using the appropriate code, or, if the reason has not yet been established, recording 'N'. At 9.30 a.m. each morning, office staff will check the class registers and begin contacting parents/carers of any child who is absent but whose absence has not been reported by a parent/carer. Calls to parents/carers will be made by 10.30 a.m.
- 3.2 On the first day of a child's absence, parents are asked to contact the School Office to give the reason for the absence and to contact the office as early as possible on each subsequent day of absence.

- 3.3 If a child has a medical or other necessary appointment, parents should contact the office prior to the day of absence. If a child is absent due to illness for longer than 5 school days, a medical certificate is required.
- 3.4 If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the School Office. The office staff will then be in contact as soon as possible with the parent or carer, in order to check on the safety of the child. If no contact is made with the parent/carers and there are concerns about the child's well-being, a home visit may be made or other agencies contacted as appropriate.

4 Requests for leave of absence

- 4.1 We believe that children need to be in school for all sessions, so that they can make the most progress possible. However, we understand that there are circumstances where a parent may request leave of absence for a special reason. The absence notification form is available on the website or from the School Office. The absence notification form should be completed by the parent and returned to the School Office at least one week before the first day of requested absence. Family holidays do not fall into the category of a special circumstance.
- 4.2 In exceptional circumstances, parents may request leave. If a child goes abroad and, after four weeks, the child fails to return, the school has the right to remove the child's name from the roll.

5 Long-term absence

- 5.1 When children have an illness that means they will be away from school for an extended period, the school may send home some material, so that they can keep up with their school work.

6 Repeated unauthorised absences

- 6.1 If a child has a significant number (10% or more unauthorised) the parent(s) or carer will be sent a letter, accompanied by the Local Authority 'School Attendance' Leaflet and a copy of the child's attendance record. The letter reminds parents/carers about the importance of regular school attendance, as any absence may interrupt their child's academic progress and may have an effect on maintaining friendships. The letter also points out that regular attendance is a legal requirement. This is recorded on the **record of letters sent** report. Should the pupil's attendance improve

but the improvement fail to be sustained, a further copy of the letter may be sent at a later date.

If attendance does not improve a second letter is sent to the parents/carers asking them to meet with the head teacher and discuss the absence. Enclosed with this letter is the Education Welfare 'School Attendance' Leaflet and a copy of the child's attendance record. This letter is copied to the Local Authority Attendance Officer and is recorded on the **record of letters sent** report.

If there is no significant improvement in attendance and no satisfactory explanation for the absences, parents/carers are informed by letter that their child is now at risk at becoming a persistent absentee pupil. This means attendance is now at 90% or below. As such, a referral to the Local Authority Attendance Officer will be considered and a Penalty Notice or legal proceedings may be incurred by parents/carers.

- 6.2 The Headteacher has regular meetings with the Local Authority Attendance Officer and they will be involved in meetings with repeated unauthorised absence, as well as low attendance rates.
- 6.3 The Governing Body, supported by the Local Authority (LA), reserves the right to consider taking legal action against any parents or guardians who repeatedly fail to accept their responsibility for sending their children to school on a regular basis.

7 Attendance monitoring

- 7.1 Lionel Walden Primary School monitors attendance carefully and considers the attendance figures for other similar schools when setting their own priorities for the coming year.
- 7.2 Through newsletters and by personal contact, parents are reminded about their responsibility to ensure their children attend school regularly.
- 7.3 The Local Authority Attendance Officer monitors attendance regularly and meetings are arranged/letters sent home as appropriate to encourage good attendance and to remind parents/carers of the effects of low attendance.
- 7.4 Parents will be encouraged to understand the full implications for both their children's academic progress and their social groupings when they miss school.

8 Monitoring and review

- 8.1 It is the responsibility of the governors to monitor overall attendance. The Governing Body also has the responsibility for this policy and for seeing that it is carried out. The governors will therefore examine closely the information provided to them, and seek to ensure that our attendance figures are as high as they should be. The responsibility to authorise or requests for absence has been delegated to the Headteacher. Letters are sent to all parents who request absence and the seriousness of unauthorised absence is clearly explained and re-iterated through newsletters and the school website.
- 8.2 The schools will keep accurate attendance records on file for a minimum period of seven years.
- 8.3 The rates of attendance will be included in the report to governors by the Headteacher.
- 8.4 Class teachers are responsible for monitoring attendance in their class, and for bringing it to the attention of the Headteacher/Deputy Headteacher. If there is concern about a child's absence, they will contact the school office immediately. If there is a longer-term general worry about the attendance of a particular child, this will be reported to the Headteacher, who will contact the parents or carer.
