Dear Parents

13th June 2019

As part of our Personal, Social and Health Education (PSHE) curriculum, we are again organising a visit from the Cambridgeshire and Peterborough Life Education Centre for four days in July. This has happened every two years for several years now and we consider it to be a valuable part of our pupils' learning.

Our school's philosophy and practice in all areas of PSHE relates to developing the necessary skills, knowledge and understanding about the human body so that our children are prepared and able to make healthy choices. Over the four days, each class will visit the specially equipped classroom and have a lesson appropriate in length and content to their age and understanding.

We would like to invite you to learn more about this initiative and find out more about what your children are learning about. **Therefore, we have arranged the following sessions for parents, carers and governors:-**

Monday, 8th July starting at **2.40 p.m. prompt** and finishing at 3.00 p.m.

Monday, 15th July starting at **8.55 a.m. prompt** and finishing at 9.15 a.m.

We do hope you are able to visit during one of these sessions. If you have any questions, or would like further information, please do not hesitate in asking.

Please complete the slip below to assist with organisation.

Yours sincerely

S. A. Barnard-Taylor (Mrs)
Headteacher
