LIONEL WALDEN PRIMARY SCHOOL

Headteacher – Mrs Sally-Anne Barnard-Taylor

20th February 2022

Dear Parents/Carers of Year 4 Pupils

BUTTERFLIES THROUGH TIME PROJECT – MUSEUM OF ZOOLOGY, UNIVERSITY OF CAMBRIDGE

As you are aware, Dr Roz Wade from the Museum of Zoology visited our Year 4 Class on 27th January to introduce the pupils to the 'Butterflies Through Time' project. The pupils learnt about different butterflies and were visited virtually by an artist who taught them how to sketch them – please view the News section of our school website. The pupils' art work is being displayed in the 'Butterflies Through Time' exhibition and you and your children are invited to attend.

A special celebration event is being held on **Saturday 19th March from 5pm**, after the Museum has closed to the general public. The children's artwork will be on display, along with the rest of the exhibition, together with trails and activities to participate in following a butterfly theme.

Please see the attached flyer for further information. If you would like to attend, please visit the following Eventbrite page link and book a space for you to arrive at 5pm, 5.30pm or 6pm:

https://www.eventbrite.co.uk/e/a-kaleidoscope-of-butterflies-tickets-271101871997

To keep the event exclusive to the children involved with the project, you will need to use the password **Butterfly** when booking tickets. If you are unable to visit on 19th March, you are welcome to take your invitation and visit the exhibition between 15th March and 18th September when you will still receive a small butterfly-themed treat.

We do hope you are able to attend this event. Please let us know too, if you have booked tickets and are planning to attend.

If you have any questions or queries, please do not hesitate to contact us.

Yours sincerely

S A Barnard-Taylor

Mrs S A Barnard-Taylor
