Dear Parents/Carers

Special Educational Needs and Disabilities Coffee Morning

I am holding another coffee morning for parents of children with special educational needs and disabilities on **Tuesday 3rd March** from **9.00-10.30am**. When you have a child with special educational needs, it can sometimes feel quite isolating so, by coming together, I hope you will find it supportive. Your child does not need a diagnosis for you to attend. If any of your children are experiencing any difficulties in school, be it with their work or their emotional wellbeing, please come along and chat with me and other parents. We may not have all the answers but we can certainly lend a listening ear and may be able to offer some support or suggestions.

At the coffee morning, I would also like to get parents' ideas and suggestions for our SEND Information Report. This is a legal document that is published on our school website which sets out what the school will do to support children with special educational needs and disabilities. I would really like to know:

- How easy is it to find?
- How easy is it to read?
- Does it provide all the information that you, as a parent/carer of a children with SEND, would need to know?
- Do you have any suggestions for other information that could be included?
- Do you have any suggestions for how it could be made easier to understand?

Please could you email the School Office, to let us know if you will be attending, so that I know how many biscuits to buy! I shall also be available for parents at a 'Drop in' (no appointment necessary) session on **Wednesday 4th March** between **5pm and 6pm** during Open Evening.

Please do not hesitate in contacting me, if you have any questions or would like further information.

Yours sincerely

R Wilson
