31<sup>st</sup> January, 2020

Dear Parents,

## SAFER INTERNET DAY

During the week beginning **10<sup>th</sup> February**, all classes will be participating in activities which highlight to pupils the potential dangers of using the internet and what to do if such risks arise. In school, our internet access has the Local Authority's filters applied but we still need to exercise caution and make pupils aware of whom to speak to, if they are concerned about anything. We also refer to internet use at home, the use of mobile telephones and other devices and the accessibility of social media sites and games.

We shall be celebrating 'Safer Internet Day 2020' on **Tuesday 11<sup>th</sup> February** and using the resources available to schools.

We would very much appreciate you discussing internet safety with your children at home to deepen their understanding and awareness.
