5th May 2020

Dear Year 5 pupils

We hope that you and your family are all well and that you are still enjoying being at home. Thank you for all the work you have been completing and sharing with us via Starz or email. We know how difficult it has been for you to find new ways of learning but you should be very proud of the way you have adapted. Keep sharing what you have been doing, even if it is not your school work, as we love seeing what you are up to!

Please continue to work through the Home Learning packs and on Starz but most importantly, keep reading and practising times tables and mental arithmetic. If you are looking for something different to do, there are links to resources on the school website which you and your parents might be interested in.

In school, we have been preparing for the VE Day celebrations so look out for new pictures and bunting when you are walking or cycling past the school on your daily outings. There are some resources on Starz, if you would also like to make bunting or other crafts relating to the 75th anniversary of VE Day.

The staff have been very busy planning areas of the curriculum and preparing resources for when you all return. We have also enjoyed speaking to you and your parents on the telephone.

We are hoping to see you all soon and look forward to hearing more news from you.

With best wishes from

Mrs McLean, Mrs Taylor and Mrs Bayes
