2<sup>nd</sup> June 2020

Dear Year Six

I hope you are all staying safe and keeping well. For the next few weeks we are going to use the Starz website for our classwork ([www.starz.org.uk](http://www.starz.org.uk)) and the MyMaths website too ([www.mymaths.co.uk](http://www.mymaths.co.uk)). Mrs Clarke is emailing your parents the log in details for both websites. Each day (from today) I will set a piece of English and Maths work for you to complete, these will be in the Homework section of Starz. I will also include some PSHE and topic work for you to have a go at. If you have any difficulty with the work, you should be able to message me on Starz and I will be able to help you. Also I will be able to give feedback to you on your work if we use the Starz and MyMaths websites. I know it is very difficult at the moment because many of us are unable to attend school presently, however I shall endeavour to set the same kind of work that the children in school are completing so that everyone is as 'secondary school' ready as possible.

Some of you may still have work left over from the paper packs which were distributed before half term but you can put those to one side for now. A huge well done to people for working so hard on those packs but for now, I would rather you completed the work on Starz so that everyone in Year Six is completing similar work. If you wanted extra work in the coming weeks then you could use the left over work then, or look on the school website for more learning ideas.

I hope you have all been enjoying the sunshine and had a relaxing half term.

Mrs Harrison
