Dear Parents/ Carers,

11th May 2022

After half term the children in Years 5 and 6 are timetabled to receive Relationships and Sex Education lessons. Our key priority is to continue to ensure that our RSE provision is appropriate for the pupils at our school based on their age, physical and emotional maturity, religious and cultural backgrounds and special educational needs or disabilities.

Please note that sex education continues to be non-compulsory for primary schools although the DfE expects a programme to be in place. Parents/carers of pupils in Years 5 and 6 will be given the opportunity to withdraw their children from all or part of the sex education lessons which are planned for delivery after half term. Parents cannot, however, withdraw their children from relationships or health education.

In order for you to be fully informed of the content of these RSE lessons, please find attached the detailed programme of study for your child's class. Within this programme are hyperlinks which take you to various video clips; some of these will be viewed by your pupils and others will be used as a teaching resource for staff.

Please take the time to look at this material in its entirety. The lessons will all take place during the second half of this term. You have the right to withdraw your child from sex education lessons, if you wish. Please complete the online consent form by clicking the link below by Friday 20th May.

If you have any questions or would like to discuss the programme further, Mrs Harrison will be available to answer any queries and provide further information on Tuesday 24th May at 6pm. **If you wish to attend this drop-in session, please inform Mrs Clarke or Mrs Salisbury in the School Office by Friday 20th May.**

Yours sincerely,

S A Barnard-Taylor
Headteacher
