Dear Parents/Carers of Year 1 Pupils

A Home Learning pack for your child/children, which contains two weeks of learning, will be hand delivered today, **if your child is not currently attending school**. A weekly update will reach you on a Monday to give you an overview for that week as well as a suggested timetable for you to follow. The learning mirrors what is being taught at school so, as we move through this next phase, it would be beneficial if your child could try and complete a daily timetable of learning to ensure the transition back into school is as smooth as possible. We appreciate that some of you are still working from home, as am I (Mrs Latchford with a very active toddler!) so I empathise with the difficulties of balancing the demands of work with the needs of your child/children. Let me reiterate again that the Year 1 team greatly appreciate all your hard work and it is evident from your correspondence that you have been doing an amazing job during this time of uncertainty.

Phonics, English and Maths will have a daily piece of learning to be completed. Longer English pieces may be completed over more than one day. Foundation subjects will have a weekly piece of learning. If you require any clarification, or would like to share examples of learning for feedback, please email the School Office and I will be more than happy to assist or comment.
