Dear Parents/Carers

## SUPPORT WITH HOME LEARNING

I hope you are all staying safe and well during this difficult time. Things are very different at the moment - it has certainly been a lot quieter in school this week! We miss you all.

The Home Learning packs were sent home for the children to complete a few tasks each day with the aim of them lasting until the start of the Easter Holidays. Please encourage your child to complete any unfinished work. It would also be very beneficial to keep them reading as much as possible. Can you complete the attached Easter Reading Challenge? Remember to record the reading sessions in your reading records too.

Please take your learning outside and make the most of the outdoor environment - How many different plants and trees can you find and name? Can you draw the different leaves and flowers and label the parts?

Talk to your child about the different exercises we participated in during Healthy Week - Can you make up your own circuits? If you need some inspiration, then join 'P.E. with Joe Wicks' at 9.00am, live on YouTube - it is suitable for the whole family. I will be there with you in spirit!

Further Home Learning packs will be sent home after Easter. We appreciate your efforts with supporting your child - thank you.

With best wishes
