14<sup>th</sup> September, 2017

Dear Parents,

During our Science lesson on Monday, 18<sup>th</sup> September, we will be looking at the different ways we all like to keep fit. Please can your child bring in a photograph or drawing of themselves, perhaps playing football, riding a scooter or bike or taking part in an organised class.

Also we are developing a class lending library where the children can borrow a book of their choice to bring home. They can change the book as often as they wish by independently completing the record book.

We are promoting an enjoyment of reading, so please read the book with your child and discuss the story. You could ask questions such as who all the characters are, the different motives of each character and where the setting of the story is. It would also be beneficial to discuss any new vocabulary they encounter and explain it in a context they will understand.

If you require any further information, please do not hesitate to come in and talk to us.

Yours sincerely,

N. Bayes (Mrs.)  
Deputy Headteacher/Year 2 Teacher

V. Bennett (Miss)  
Year 2 Teacher
