Pre-School Admissions, Fees and Placement Allocation Policy

Statement of Intent

It is our intention to make our Pre-School accessible to children and families from all sections of the local community. We are committed to being as inclusive as possible regarding our admissions for our Pre-School.

Legal framework

The Pre-School operates under the legal framework set down by the Department of Education:
<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>

Aim

- To ensure that Lionel Walden Pre-School is accessible to all sections of the community, through open, fair, and clearly communicated procedures.
- To promote a smooth and stress-free transition to the setting.
- To accommodate, where possible, the differing needs of parents and children within the operating requirements of the Pre-School.
- To ensure that all statutory staff:child ratios are maintained.

Fees

Lionel Walden Pre-School are in receipt of Early Years Education Funding (EYEF) for 3- to 4-year-olds. All 3- to 4-year-olds are entitled to the Universal 15 funded hours during term time. This is available from the term following your child's third birthday.

Government funded sessions

To be eligible for funded sessions at Lionel Walden Pre-School, parents should complete and return the Early Years Funding Declarations form sent out with the admission pack once their application to join the Pre-School has been successful.

All 3- and 4-year-olds are entitled to 15 hrs free childcare can attend up to 5 fully funded sessions. These sessions run during the morning and afternoon and can be booked following the guidance below.

Extended hours (funded)

Parents may also be eligible for the extended 15 hours funding giving a total of 30 hrs free childcare allowing them attend up to 10 fully funded sessions. Parents/carers will need to apply for this using the link found in the Parent Information Sheet included in the admission pack. If successful in the application, a code will be generated that parents will need to include in the Early Years Funded Declaration form that is returned to school. This code will then be validated by the school.

Checks are made against HMRC data throughout the year regarding continued eligibility. Parents must reconfirm details to HMRC every three months to confirm eligibility. If eligibility lapses, only HMRC can reverse this decision. If parents are no longer eligible for extended funded, then hours booked above the universal 15 hours will be charged for at the rate of £16.50 per session.

Additional hours (non-funded)

If parents are not entitled to the extended 15 hours of funded childcare but would like additional session/s then these can be booked at a rate of £16.50 per session. For booking sessions, please see the Allocation of Sessions section below. Allocation of funded and non-funded places follow the same admission criteria. Non-funded hours are invoiced on a monthly basis at the end of each month and payable within 14 days. All additional hours booked for the term will be charge for, including absence and holidays. The setting reserves the right withdraw and non-funded places on late payment of this invoice.

Session times

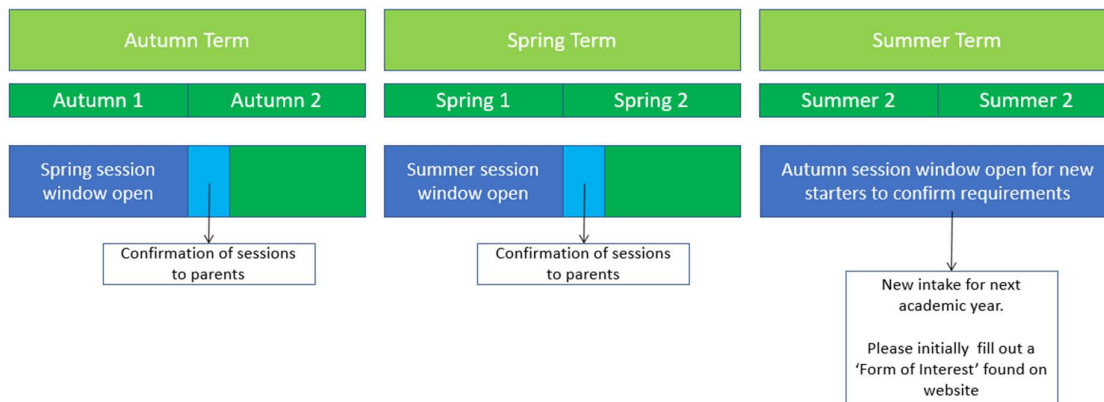

The Pre-School operates both morning and afternoon sessions (3hrs each in duration). Session times are as follows:

- Mornings only: 8:45am – 11:55am
- Afternoons only: 12pm – 3pm

Allocation of sessions

Session allocation windows will open three times a year. During this time, you may request session times for the following term. Once this window has closed, we will allocate children’s sessions accordingly. Sessions will then be confirmed with you shortly after closure of the window.

Parents with children looking to join the setting in the Autumn Term should initially complete a ‘Form of Interest’ available from our website. Our team will then make contact to confirm arrangements.

Children will be required to attend no less than 3 sessions per week to be eligible for a place at the Pre-School. We strongly believe that in order for children to make good progress whilst at the setting, children require multiple sessions per week. This also ensures that we can adhere to statutory ratios whilst balancing costs.

Once sessions have been allocated, it will not be possible to change adhoc as staffing decisions are made in advance using information provided in the allocations window to ensure correct ratios are in operation. Please note that there is no guarantee of an increase in sessions for the term once the allocation window has closed.

If your circumstances change once your sessions have been allocated, then please inform us as soon as possible so that we can discuss this in more detail.
